**RESPONSE TO NOTICE UNDER 37 CFR 1.251 – PENDING APPLICATION**

Dear Sir:

Applicant received a Notice Under 37 CFR 1.251- Pending Application mailed on March 24, 2005 requesting copies of the following papers:

Amendment-After Non-Final Rejection, Specification, Claim, Remark, Specification, Abstract and Drawing dated 10/21/04.

Applicant filed an Information Disclosure Statement on 10/21/04 with two references attached. The references were a co-pending patent application and an amendment filed in the co-pending application. However, the patent application and amendment are **references** cited in the Information Disclosure Statement and not an "Amendment-After Non-Final Rejection, Specification, Claim, Remark, Specification, Abstract and Drawing" for patent application **10/790,925**.

Enclosed are copies of the following papers that were filed on 10/21/04:

1. Information Disclosure Statement Transmittal Letter (3 pages);
2. Information Disclosure Statement Form 1449 (1 page);
3. non-U.S. patent reference – Patent Application (23 pages specification and 5 sheets of drawings) for co-pending application 10/790,919; and
4. non-U.S. patent reference - Reply and Amendment Under 37 C.F.R. 1.111 for co-pending application 10/790,919) (12 pages).

These were the only papers applicant filed on 10/21/04. Also enclosed is a copy of the return postcard indicating the papers that applicant filed on 10/21/04 and a copy of the Notice Under 37 CFR 1.251.

Applicant believes that the Patent and Trademark Office may have listed items 3 and 4 above as papers filed in the application rather than as references for the Information Disclosure Statement.

Please note that the Notice Under 37 CFR 1.251 was mailed to the wrong address. A Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address was filed on November 10, 2004 for this application. The correspondence address should be:

William H. Murray  
Duane Morris LLP  
One Liberty Place  
Philadelphia, PA 19103-7396  
Fax (215) 979-1000**

In view of the above, the present application is believed to be in a condition ready for issuance.

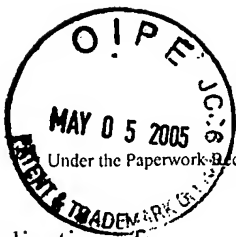

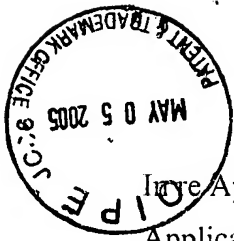

The Commissioner is hereby authorized to charge any fees associated with this communication or credit any overpayment to Deposit Account No. 04-1679.

Respectfully submitted,
